B. The Borrower requires, and the Interim Lender (as defined below) has agreed to provide it with, an interim financing facility to support the Borrower's restructuring efforts in the CCAA Proceedings (the **Interim Financing Loan**).

C. The purpose of this interim financing term sheet (as amended, modified, supplemented, restated, or replaced from time to time, the **Agreement**) is to set out the terms and conditions on which the Interim Lender is prepared to establish and advance the Interim Financing Loan.

NOW THEREFORE in consideration of the foregoing and the mutual agreements set out below and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

Interim Lender	The Bank of Nova Scotia (the **Interim Lender**)
Borrower	Ocean View Farms Limited (the **Borrower**)
Monitor	S.R. Stack & Company (2023) Ltd., the monitor appointed in the CCAA Proceedings (the **Monitor**)
Interim Financing Loan	A non-revolving loan up to the maximum principal amount of $500,000.00 (the **Maximum Amount**).
Currency	Unless otherwise noted or agreed, the currency of the Interim Financing Loan shall be CAD.
Availability	Subject to the fulfilment of the applicable loan conditions precedent to the availability of the Interim Financing Loan set out herein and the Borrower's adherence to the cash flow statement filed with the Court on 25 November 2025 (the **Approved Cash Flows**) being satisfactory to the Interim Lender, and provided that no Event of Default (as defined below) has occurred and is then continuing, advances of the

Interim Financing Loan shall be made by the Interim Lender to the Borrower.

Purpose and Use of Proceeds

The proceeds of the Interim Financing Loan will be used by the Borrower to fund the cash flow requirements of the Borrower on a going-concern basis provided that the same is, unless approved in writing by the Interim Lender and the Monitor, (*a*) in accordance with the Approved Cash Flows and (*b*) not on account of a liability that existed prior to the Filing Date except for critical supplier payments as approved by the Borrower's advisors and the Monitor, including for the avoidance of doubt but without limitation any unremitted statutory remittances existing as of the Filing Date.

Closing Date

On or before 12 December 2025 unless otherwise agreed by the Borrower and the Interim Lender (the **Closing Date**).

Maturity Date

The maturity of the Interim Financing Loan (the **Maturity Date**) shall be the earliest of:

(a) the effective date of any merger, amalgamation, consolidation, arrangement, reorganization, recapitalization, sale, or any other transaction affecting the Borrower's assets or operations or resulting in the change of ownership or control of the Borrower as confirmed by the Court and satisfactory to the Interim Lender (a **Transaction**);

(b) the date on which the Borrower's stay of proceedings expires without being extended or the date on which the CCAA Proceedings are dismissed or terminated;

(c) the date of the acceleration of the Interim Financing Loan and the termination of the commitment with respect to the Interim Financing Loan as a result of an Event of Default.

All outstanding amounts under the Interim Financing Loan, together with all interest accrued in respect thereof and all other amounts owing under this Agreement shall be payable in full on the Maturity Date.

Interest	All amounts outstanding under the Interim Financing Loan will bear interest at a rate of 10% per annum, on the daily balance outstanding under the Interim Financing Loan. Interest shall be due, owing, payable, and repaid at the Maturity Date without further notice, protest, demand, or other act on the part of the Interim Lender.
Commitment Fee	The Borrower shall pay to the Interim Lender a commitment fee of 3% of the Maximum Amount (the **Commitment Fee**). The Commitment fee is non-refundable and is fully earned and will be added to the principal of the Interim Financing Loan.
Repayment	Unless otherwise repaid as contemplated herein, the Interim Financing Loan shall be due, payable, and repaid as of the Maturity Date without further notice, protest, demand, or other act on the part of the Interim Lender.
Mandatory Prepayments	The Interim Financing Loan shall be repaid in full from the net proceeds of any Transaction involving the Borrower, except for operational asset disposals as proposed in the Approved Cash Flows.
Representations and Warranties	The Borrower represents and warrants to the Interim Lender as of the date hereof, and as of the date of each advance under the Interim Financing Loan, that: (a) the Borrower is duly organized, validly existing, and in good standing under the laws of Newfoundland and Labrador, has all requisite power to carry on business as now and formerly conducted, and, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to constitute a material adverse effect, is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required; (b) the execution, delivery, and performance, as applicable, of this Agreement has been duly authorized by all actions, if any, required on the part of and by the Borrower's directors, and constitutes a legal, valid, and binding obligation

of the Borrower enforceable against it in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, arrangement, winding up, moratorium, and other similar laws of general application that limit the enforcement of creditors' rights generally and to general equitable principles;

(c) the Approved Cash Flows represent the Borrower's best estimate as at each applicable date of the likely results of the operations of the Borrower during the period applicable thereto and, to the knowledge of the Borrower, such results are achievable as provided therein; and

(d) all employee wages and other amounts owing to employees are up to date and there are no amounts owing in respect of wages, termination pay, severance pay, vacation pay, pension benefit contributions, or other benefits except those accruing in the normal course and in accordance with the established practices and arrangements of the Borrower.

Covenants

The Borrower covenants and agrees that:

(a) the Borrower shall pay all amounts and satisfy all obligations in respect of the Interim Financing Loan, including the Commitment Fee;

(b) the Borrower shall not make or permit to be made any payment on account of obligations owing as at the Filing Date without the prior consent of the Monitor and the Interim Lender or pursuant to an order of the Court;

(c) the Borrower shall not undertake any actions with respect to its assets, business operations, and/or capital structure which would, in the sole determination of the Interim Lender, have a material adverse effect on the Interim Lender or the Collateral (as defined below);

(d) the Borrower shall not incur any indebtedness, including the giving of guarantees, other than indebtedness specifically contemplated herein or permitted in writing by the Interim Lender;

(e) the Borrower shall not incur, create, assume, or suffer to exist any lien, charge, security interest, or other encumbrance on any of the Collateral now owned or hereafter acquired other than (*i*) those encumbrances existing as of the Filing Date, (*ii*) those encumbrances permitted by the Interim Lender in its sole discretion, and (*iii*) the Interim Financing Charge, and (*iv*) the Administration Charge to be granted by the Court;

(f) the Borrower shall not enter into any other credit facility or loan arrangements without the prior written consent of the Interim Lender;

(g) the Borrower shall not enter into any Transaction without the prior written consent of the Interim Lender;

(h) the Borrower shall provide the Interim Lender and its counsel with updates concerning the CCAA Proceedings as required by the Interim Lender, and will seek the consent and approval of the Interim Lender with respect to any steps taken towards the completion of a Transaction, or any other sale, reorganization, investment, or liquidation of the business or its assets, and further, shall consult with the Interim Lender on all major decisions with respect to the CCAA Proceedings including but not limited to (*i*) the sale, transfer, or assignment of any asset or assets with a value of $250,000.00 or greater (either in any single transaction or in the aggregate); (*ii*) the preparation, execution, or amendment of any sales and investment solicitation process or any similar process being undertaken by the Borrower; (*iii*) the continued engagement, re-engagement, or termination of any employees of the Borrower; and (*iv*) all other matters material to the CCAA Proceedings, other than sales projected in the Approved Cash Flows;

(i) without the prior written consent of the Interim Lender, the Borrower shall not: (*i*) declare or pay any dividends on, or make any other payments

or distributions (whether by reduction of capital or otherwise) with respect to any of their respective issued and outstanding shares or other equity interests, or (*ii*) grant any loans;

(j) the Borrower shall not sell any of their assets outside of the ordinary course of business without the prior written consent of the Interim Lender, other than sales as approved in the Approved Cash Flows;

(k) the Borrower shall ensure that its senior management team and advisors are available to meet and respond to inquiries and information requests from the Monitor and the Interim Lender and their advisors as may be reasonably required, and to provide them with updates as may be required by the Interim Lender or the Monitor;

(l) the officers and directors of the Borrower remain the same as of the Filing Date;

(m) the Borrower shall pay the Interim Financing Expenses (as defined below) promptly when such fees are due;

(n) the Borrower shall update the Approved Cash Flows and provide a copy thereof to the Interim Lender and the Monitor for the Interim Lender's approval, it being understood that such updated Approved Cash Flows, if approved, become the Approved Cash Flows for purposes hereof; and

(o) the Borrower shall provide such other information that the Interim Lender may reasonably request in relation to the CCAA Proceedings, the Collateral, or the Interim Financing Loan generally.

Security

As continuing security (the **Interim Financing Security**) for the prompt payment of all amounts payable by the Borrower to the Interim Lender under this Agreement and as continuing security for the due and punctual performance by the Borrower of their existing and future obligations under this Agreement, the Borrower hereby grants, conveys, assigns, transfers, mortgages,

and charges as and by way of a fixed and specific security interest, mortgage, and charge, to and in favour of the Interim Lender, all of its property, assets, rights, and undertakings, real and personal, movable or immovable, tangible and intangible, legal or equitable, of whatsoever nature and kind, wherever located, both present and future, and now or hereinafter owned or acquired (collectively, the **Collateral**).

The Interim Financing Security shall be elevated by way of a Court-ordered super-priority charge (the **Interim Financing Charge**) and the Interim Financing Charge shall rank in priority on the Collateral to any security interests, claims, or deemed trusts (statutory or otherwise) but subordinated to the Administration Charge, without any other formality or requirement, such as without limitation under the *Personal Property Security Act* (Newfoundland and Labrador) or registrations in the Registry of Deeds.

(d) the Borrower fails or neglects to observe or perform any term, covenant, condition, or obligation contained or referred to in this Agreement or any other document between the Borrower and the Interim Lender;

(e) the stay of proceedings expires without being extended or the CCAA Proceedings are

dismissed or terminated, or the Borrower becomes subject to a further insolvency proceeding;

(g) the Borrower undertakes any actions with respect to its assets, business operations, and/or capital structure which would, in determination of the Interim Lender, acting reasonably, have a material adverse effect on the Interim Lender or the Collateral;

(h) if the Borrower makes any payments of any kind not permitted by this Agreement, or contemplated by the Approved Cash Flows;

(i) the occurrence of any other event or circumstance that has, or could reasonably be expected to have, a material adverse effect on either of the Borrower or on the Collateral, including a material adverse change from the Approved Cash Flows as determined by the Interim Lender in its sole discretion;

(j) if there is a change in the ownership, control, existing senior operating management arrangements, or governance of the Borrower that is not acceptable to the Interim Lender.

Upon the occurrence of an Event of Default, without any notice, protest, demand, or other act on the part of the Interim Lender, all indebtedness of the Borrower to the Interim Lender under this Agreement shall become immediately due and payable and the Interim Lender shall be able to take all steps necessary to enforce its security. The Interim Lender shall also have the right to exercise all other customary remedies, including, without limitation, the right to enforce and realize on any or all of the Collateral, in each case, upon providing two (2) days' prior written notice to the Borrower and
